Chapter 4
CRITICAL FACILITIES

Introduction

The Critical Facilities List for the Town of Wilmot has been identified by the Wilmot Hazard Mitigation Planning Committee. The list is divided into three sections: Facilities needed for Emergency Response (Category 1), Facilities Not Necessary for Emergency response (Category 2), and Populations and facilities to protect in the event of a disaster (Category 3). In addition, the Inventory of Critical Facilities table assesses the value of these structures.

CATEGORY 1 (Facilities needed for Emergency Response)

- Fire
- Emergency Medical Services (EMS)
- Police
- Hospital
- Shelter
- Town Hall / Emergency Operations Center (EOC)
- Public Works
- Emergency Fuel

Fire Station / EOC

CATEGORY 2 (Facilities NOT necessary during an emergency event)

- Public Utilities
- Communications
- Transportation
- Evacuation Routes

CATEGORY 3 (Populations & Places to Protect)

- Schools
- Daycares
- High Concentration Populations
- Elderly Facilities
- Healthcare Facilities
- Recreation areas
- Historic Resources
